### **What does the data say?**

- Engagement Pathway students have made good progress overall this year.
- The data capture for the year shows that progress is accurate.
- Data demonstrates that our curriculum review and student grouping has assisted outcomes to be achieved.
- PE remains one of our highest for student outcomes.

### **Actions:**

- Sensory Learners annual target setting to be implemented this year.
- PE curriculum review to take place this year, to align with the Sensory Pathway Curriculum and ensure that we are challenging student outcomes.
